

The Future Is You!

A Soroptimist International of Napa Scholarship

“I know that every person, working at the best of her ability, is necessary for a successful society.”
~Violet Richardson, Founder of Soroptimist and UC Berkeley graduate

Who We Are

Soroptimist is a global women’s organization whose members volunteer to improve the lives of women and girls who face obstacles such as poverty, violence and teen pregnancy, through programs leading to social and economic empowerment. Approximately 74,000 Soroptimists in over 120 countries and territories support community-based and global projects benefiting women and girls. The organization is particularly concerned with providing disadvantaged women and girls access to education, as this is the most effective path to self-determination. The name, Soroptimist, means “best for women” and that’s what the organization strives to achieve. Soroptimists are women at their best, working to help other women to be their best.
